Subject: Blurbs needed for Cholla Power Plant and Four Corners for the Administrator's Report
Final Weekly Administrator's Report 12 16 16.docx

Hello, Elizabeth,

Can you pull together a blurb for the Cholla action and Four Corners action for the Administrator's report? I've attached last week's report so you can see what the blurbs typically include. Is it possible to send these by COB today?

Thank you in advance and let me know if you have any questions.

Carissa
